**NATIONAL
EXPANSION
PLAN
OF NICS**

We are writing to inform that The National Expansion Plan of NICs is a project by the Ministry of Information Technology and Telecommunication (MoITT) and Punjab Information Technology Board (PITB). We have opened 13 technology incubation centres across Pakistan to establish the largest network for start-ups and entrepreneurs.

One of our Center is established and operational at **Physical Education and Sports Department of Sukkur IBA University** with Collaboration – Applications are open for 2nd Cohort.

Start-ups are the future of Pakistan. Under #MissionInnovationPakistan we are looking to foster entrepreneurship, technology, and economic growth in Pakistan. Our platform is for aspiring entrepreneurs who are looking for opportunities to work on their tech start-up ideas and have the potential to create an impact in the tech ecosystem of Pakistan.

Our 6-month cycle follows a **Zero Equity Model** which means it is completely free for the inducted start-ups!

We are pleased to announce that our first cohorts will be graduating soon. Applications are now open for the second cohort. Apply with your start-up idea

We offer the following services to the inducted start-ups:

1. **Monthly Stipend**
2. **Free Office Space**
3. **Networking Opportunities**
4. **Mentorship**
5. **Business Development guidance**
6. **Free Legal Assistance**

This is a great opportunity for final year students, fresh graduates, and even experienced individuals to turn their business idea into Successful Business.

Interested start-ups and their founders are encouraged to apply Apply on Link Below:
