PRESS RELEASE

SUKKUR IBA UNIVERSITY LAUNCHES 'SARSABAZ SUKKUR' WEEK WITH COMPREHENSIVE TREE PLANTING INITIATIVE

Sukkur IBA University (PR), August 15, 2024: Sukkur IBA University has officially launched its "Sarsabaz Sukkur" plantation drive, a week-long initiative designed to enhance the city's greenery. The program commenced today with an event on Nisar Ahmed Siddiqui Road, Sukkur IBA University, where Commissioner Sukkur Division Mr. Fayaz Hussain Abbasi and Vice Chancellor Professor Dr. Asif Ahmed Shaikh inaugurated the drive by planting the first trees.

The initiative, which involves students, faculty, and staff of the university, aims to plant approximately 10,000 trees along the roads surrounding the university and throughout Sukkur. The launch ceremony highlighted the drive's goal of developing environmental responsibility and beautifying the city.

Vice Chancellor Professor Dr. Asif Ahmed Shaikh underscored the university's commitment to creating a greener Sukkur. "We are dedicated to making Sukkur greener, one tree at a time," he said. "Our collective efforts over the next six days will see thousands of trees planted, contributing to a greener future."

Commissioner Fayaz Hussain Abbasi emphasized the importance of collective action. "Every person's contribution is crucial," he stated. "When we unite in our efforts, we can truly make a difference. Let's all contribute to a greener Sukkur."

The drive also includes an awareness walk to be organized at the Press Club to educate the public about the benefits of greenery and encourage community involvement.

Among the attendees were Deputy Commissioner Sukkur Mr. Muhammad Bux Dharejo, Pro Vice Chancellor Syed Mir Muhammad Shah, various deans, heads of departments, and enthusiastic students, highlighting strong support for the initiative.

The "Sarsabaz Sukkur" drive reflects Sukkur IBA University's commitment to environmental responsibility and sustainable practices. As the week progresses, the initiative aims to inspire widespread participation and support the city's long-term environmental health.
