CV Details

CV Title	Prof. Dr. Zahid Hussain Khand
Experience	30 Years
Career Level	Executive (Department Head, Professor, Registrar etc)
CNIC	45504-7895569-7
Gender	Male
Date of Birth	01-01-1968

Objective

To work in dynamic and vibrant organization with dedication, honesty, commitment and hard work.

Brief Profile:

Dr Khand has thirty (30) years of teaching and administration experience at university level. Before joining the Sukkur IBA in the year 2001, Dr. Khand worked at Siemens Pakistan Pvt limited, the Mehran University College of Engineering and Technology, Nawabshah and Quaid-E-Awam University Engineering Sciences and Technology, Nawabshah. Dr. Khand holds the degree Doctor of education in higher education management from University of Liverpool, UK. Dr. Khand holds the degree of MS Software Development from the University of Huddersfield, UK, and Bachelor of Engineering (Electrical Engineering) from Mehran University of Engineering and Technology, Jamshoro.. His strengths are project preparation, project planning and management, Green Office Initiatives, Strategic planning and Software Development. He is the Project Coordinator of PeopleSoft Campus Management Solution (CMS), Human Capital Management (HCM) and Financials and Supply Chain Management (FSCM), LMS, Library Management Software and ICT services at Sukkur IBA. He has developed many projects PC-1, which were approved by the Higher Education Commission (HEC), Islamabad and Planning and Development Board, Government of Sindh for the

development and expansion of the Sukkur IBA University. The Solar System is the initiative of Dr. Khand and the University achieved substantial saving in monthly electricity billing. The SIBA achieved Zero-Billing in the month of April, 2019. The SIBA Testing Services (STS) is the brainchild of the Dr. Khand, which has gained reputation toward meritorious recruitment process in the Government departments. He is a member of various professional organizations like IEEE, ACM & PEC. He has been associated with Sukkur BA University since last 20 years. He is author/co-author of more than twenty-three research articles published in HEC recognized research journals.
